East West Rail Works Street To Poundon, Stratton Audley

The block blue line shows the section of the road that will be closed and the blue dotted line highlights the diversion in place.

Dear neighbour,

We will be working near you on 25 September from 07:00 until 18:00 to resurface the section of the road between Stratton Audley and Poundon for one day only. The road will be closed during the day whilst we are working here.

Access to properties and frontages will be maintained. However, you may have to wait as machinery will need to be moved to ensure that the road is safe for you to use or if we have to escort you through the work site. A signed diversion will be in place.
