Dear Resident,

As part of the East West Rail project, we are planning on working near you from **Monday 20th May to Friday 14th June 2024**.

We will be reconfiguring the bridge deck and widening the road, carrying out drainage works and white lining on **Sandhill Road**.

To carry out these works in a safe and secure manner, we will be closing the road. Sandhill Road bridge will be closed to through traffic during our works and a formal diversion will be in place.

The road will be closed to emergency services, school and community buses.

Whilst the bridge is closed, access to properties and businesses will be maintained via the diversionary route. Please use Herds Hill to access properties on the north of the bridge and to access properties on the south of the bridge, please travel via East Claydon.

We are sorry for any inconvenience caused by these works and will do our best to keep disruption to a minimum.
