### What are we doing?

At the end of January 2024, we will be carrying out some works on the temporary gas main diversion by completing some gas trial holes. These works are planned to be completed under 4-way lights.

To carry out these works safely and effectively, there will be traffic lights at the crossroads of Steeple Claydon Road, Twyford Road, West Street and Gawcott Road.

These works are an important step towards the re-alignment of Gawcott Road/Perry Hill over the new bridge, currently under construction.

### When will these works take place?

Steeple Claydon Road, Twyford Road, West Street and Gawcott Road crossroads will be under traffic management from Tuesday 30 January until Sunday 17 March 2024 near to the EKFB compound.

These dates may be subject to change due to circumstances outside of our control, such as weather.
