

Notice of Traffic Management, Gawcott Road/Perry Hill

March 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In March and April 2023, we will be continuing with utility diversion works on Gawcott Road/Perry Hill. This is in preparation for the demolition of Gawcott Road/Perry Hill Bridge this summer.

We will be working on a gas pipe underneath Gawcott Road/Perry Hill which must be disconnected before the bridge can be safely demolished.

Additionally, we will also be working to install new electricity cables along this section of Gawcott Road/Perry Hill.

These works are an important step towards the eventual re-alignment of Gawcott Road/Perry Hill over the new bridge, currently under construction.

In order to carry out these works safely and effectively, three sections of Gawcott Road/Perry Hill will be under traffic management. This is for safety reasons, as our operatives will be working in open trenches on and around parts of the carriageway.

When will these works take place?

Two sections of Gawcott Road/Perry Hill will be under 2-way traffic lights from Monday 20 March until early April 2023.

A third section of Gawcott Road/Perry Hill will be under 4-way traffic lights from Monday 27 March until early April 2023.

These dates may be subject to change due to circumstances outside of our control, such as weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works
