

We would like to invite you find out more about the Sheephouse Wood Bat Structure

High Speed Two (HS2) is the new high-speed railway for Britain. We would like to invite you to view our online design boards, join our webinar or visit us in the Mobile Visitors Centre to see the final designs for the Sheephouse Wood Bat Structure in Calvert.

You can find out more about:

- **view the responses to your feedback questions from our initial designs.**
- **how our designs have developed.**
- **how you can be kept up to date on the construction works in your area.**

Explore our dedicated web page from the 1st March.

Sign up for the You Said, We Did webinar on the 8th March 6pm-7pm

Or come and speak to us face to face at Calvert Green Village Hall MVC Event on the 15th March 3pm-7pm

1. Log onto www.hs2.org.uk/in-your-area/ and click on the Buckinghamshire page.
2. Explore the boards on the webpage from the comfort of your own home
3. Get involved – book onto our webinar on the events page
