

Notice of road closure Werner Terrace/Brackley Lane, Calvert

HS2-EKFB-26-1729

Location

Werner Terrace/Brackley Lane junction, Calvert Green

Duration

16 March until 11 April 2026

What we are doing

The works involve removing a 30m section of the existing road surface at the junction of Werner Terrace and Brackley Lane. New kerbs will be installed, and the road surface will be reinstated to tie in with the new highway over the Calvert Road overbridge.

What to expect

Expect periods of increased noise during the road construction. The works are expected to create low levels of vibration and we continuously be monitoring vibration levels. Calvert link road will temporarily close during these works. Vehicles will not be permitted along the road with the exception of the school and public bus service which will still operate to timetable. The link road will remain open for pedestrians and cyclists.

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:
