

Notice of Road Closure, Calvert Road, Calvert

October 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In early November 2023, we will be closing a section of Calvert Road, either side of Calvert Railway bridge in order for the existing bridge to be demolished and the area prepared for piling in early 2024, with the planned completion and opening of the new green overbridge and highway in Summer 2025.

A section of Calvert Road will be closed 24-hours a day with a signed diversion route. This closure is necessary for reasons of safety as our teams will be working on and around the carriageway and the existing bridge which carried Calvert Road over the disused Calvert railway line will be demolished.

When will these works take place?

Calvert Road will be closed, 24-hours a day, from Wednesday 08 November until Summer 2025. There will be no access for emergency services.

These dates may be subject to change due to circumstances outside of our control, such as weather. Please refer to the HS2 website regularly to check for any changes or updates.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
